T2 13 2022 New & Returning Hand Written Attendee Agreement

Attendance to Teens & Twenties is dependant upon a <u>handwritten</u>, signed, dated and timely receipt of the following agreement. This is meant to accompany your application. Use <u>black ink only</u> to copy the following <u>ENTIRE</u> statement <u>in your own handwriting</u> and <u>insert your name</u> where designated. Then <u>sign and date</u>. This <u>unfortunate</u> requirement is due to just "<u>one</u> bad apple" who took advantage of the free hotel room BUT did not attend any of the events. She did, however, show up for free meals. The goal is to discourage abuse. If you think this form of theft is "no big deal," it is best that you also not apply. This gathering is specifically for those who WANT to get to know ALL attendees & who WANT to participate. This is for those who choose to <u>peacefully</u> ATTEND T2. The name of this <u>one</u> individual will not be revealed. The vast majority of young cryonicists are incredibly mature - more so than the population at large. Yet <u>any group</u> can have that one bad element.

STATEMENT: Only <u>black ink</u> will be accepted. This is necessary for scanning & copying.
I,, understand that my acceptance to attend this gathering for
Teens & Twenties is <i>provisional</i> . <i>I commit to</i> peacefully attend all events <i>in full</i> (ON
TIME) & will not cause or participate in any disruptions (anything that prevents scheduled
and approved activities from proceeding). IF I miss, or am late to, any event, or cause or
participate in a disruption, future acceptance and scholarships will be denied. An
exception will be made for events outside of my control (legitimate illness, natural
$\underline{disasters}$).

(signature) (date)

It is <u>insufficient</u> to simply sign and date this statement/agreement. Remember to <u>LEGIBLY</u> copy the entire statement/agreement <u>in your own handwriting</u>. <u>Computer</u> <u>generated handwriting will not be accepted.</u>

Only those applicants who provide this statement will be allowed to attend. Writing this out helps to prevent anyone from claiming they signed without reading it.

Please send your handwritten agreement to:

FAX: 954-202-7745 e-mail: <u>kmarkell@lifeextension.com</u>

Thank-you for your cooperation. I know this is unfortunate. One bad apple.....

T2 13 2022 / RAADfest 4 2022 Self-Pay Attendee Agreement

Acceptance of a Self-Pay Application to Attend Teens & Twenties is <u>dependent</u> upon a <u>handwritten</u>, signed, dated and timely receipt of the following agreement. Applications to attend T2 are not automatically accepted.

Use <u>only black ink</u> to copy the <u>ENTIRE</u> statement <u>in your own handwriting</u> and <u>insert</u> <u>your name</u> where designated. Then <u>sign and date</u>. This <u>unfortunate requirement</u> is due to just "<u>one</u> bad apple." This gathering is specifically for those who WANT to get to know ALL attendees & who WANT to attend the entire program. Acceptance is based upon an agreement to <u>peacefully</u> and fully attend T2. The name of this <u>one</u> individual will not be revealed.

STATEMENT: Only <i>black ink</i> will be accepted. This is necessary for scanning and copying.
I,, understand that my admittance to the Teens & Twenties is
provisional. If my application to attend Teens & Twenties is accepted, I agree to peacefully
attend all events in full (ON TIME) and will not cause or participate in any disruptions
(anything that prevents scheduled and approved activities from proceeding). IF I miss or am late
to any events, or cause or participate in a disruption, I understand that I will be asked to leave
and permanently denied admittance to any future T2 events. <u>An exception will be made for</u>
events outside of my control (i.e. delayed flight, legitimate illness). As a backup I may
wish to pre-arrange wake-up calls with the hotel.

(signature) (date)

It is <u>insufficient</u> to simply sign and date this statement/agreement. Remember to <u>LEGIBLY</u>

copy the entire statement/agreement <u>in your own handwriting</u>. Your application will be

confirmed upon timely receipt of this handwritten statement. This must be supplied prior to

consideration for acceptance to attend. Please include this with your application.

Writing this out helps to prevent anyone from claiming they signed without reading it.

The vast majority of young cryonicists are incredibly mature and intelligent - more so than the population at large. Yet any group can have that one bad element.

Re: Personal Exchange Handouts

Greetings to All Teens & Twenties Attendees,

I am looking forward to meeting each new attendee and reuniting with those from our previous gatherings.

I have one request. Please bring up to 50 copies of *whatever* you would like to hand out about yourself to other Teens & Twenties attendees. This could be:

- ∞ nothing
- ∞ basic contact information
- ∞ a business card
- ∞ a typeset, 8 1/2 X 11 handout
- ∞ other

One of our goals, of course, is to help create a support network amongst yourselves.

You may choose to hand out this information about yourself to everyone - or selectively.

Forever,

Cairn Idun Founder/Director

Consensus is neither sought nor desired.

- supporting individual choices -

"Teens & Twenties: Getting to Know You You Getting to Know Each Other"
is independent of any specific cryonics
organization in order to make it
useful and available to ALL young cryonicists.
